The restaurant will be located in the room at the west end of the building, while the billiard room will occupy that formerly used by the T. L. Masters grocery. The building is a three story brick structure, known as the Koen building, but recently purchased by E. N. Paul, Mr. Wells, the proprietor having a lease on the entire building, and having elegantly and comfortably furnished forty-three guest rooms, which may be occupied singly or en suite, making an appreciable addition to Mannington's hotelieries. PURE NATURAL MEDICINAL IRON NATURE'S TONIC

USED EXTERNALLY IS BOTH HEALING AGENT AND ANTISEPTIC AND STOPS THE BLEEDING QUICKLY.

For thirty years doctors, physicians and surgeons of the public generally have been discovering new uses for medicinal iron, known as Acid Iron Mineral, which like radium, is another phenomena of Nature's beyond the chemist to imitate.

Druggists have asked us to inform the public on the uses of this highly concentrated, economical, medicinal iron. Some of its uses are as follows:

First, Acid Iron Mineral makes a pleasant, powerful, unusual tonic for building up weakened, nervous, anemic people of all ages, and a teaspoonful taken in a glassful of water makes a delightful, invigorating tonic for blood, kidneys, stomach and digestion, and thousands of tests prove it to be the best treatment so far known for uric acid, rheumatic pains and aches and impoverished blood. It helps the stomach to assimilate the appetite and is almost certain relief for indigestion.

Externally, Acid Iron Mineral, if poured on a cut or wound, stops the bleeding and acts as a healing agent, besides being a wonderful, powerful germicide and antiseptic.

Old sores, piles, pimples, cuts and skin abrasions, need nothing else to effect a speedy relief, preventing soreness and festering.

Dentists use Acid Iron Mineral diluted, as a mouth wash and antiseptic when extracting teeth, and for sore, bleeding gums it is a splendid medicine.

Applied to sore scalp, stops, heals and drives out dandruff and helps to stop hair falling out.

People troubled with sore, tender, sweaty feet, put a teaspoonful in water and find quick relief. Permanent results may be obtained almost immediately.

Farmers use it as a healing agent and to stop bleeding when castrating and dehorning cattle.

The above are a few of the many uses of highly concentrated Acid Iron Mineral, which is now tested, bottled and sold by the Ferrodine Chemical Corp., Roanoke, Va., through druggists in family size bottles.

Many soldiers of Uncle Sam carry it in camp. It belongs wherever any injury may be sustained—in autos, on the golf course, at home and on the trip.

It contains iron in three forms, calcium, sodium, potassium, magnesium and free sulphuric acid. It is non-alcoholic, is not a patent medicine, is harmless to the teeth, helps stomach and digestion and does not upset or disturb the liver or bowels.

Druggists gladly endorse this natural, highly concentrated, medicinal iron in preference to patent or prepared iron remedies.

If your druggist hasn't Acid Iron Mineral in 50c and \$1 bottles, send dollar direct to Ferrodine Chemical Corp., Roanoke, Va., for large bottle.

Sold in Fairmont by Holt Drug Co., in Fairview by Frank J. Yost, in Mannington by the Prescription Pharmacy and other good druggists throughout the state.

November Dance List

Hello, My Dearie

One-Step (The Ziegfeld Folies—1917)
Columbia Record A5986, 12-inch, \$1.25

Old feet become young, young feet take on a new burst of speed when Prince's Band starts up this swinging one-step. This number introduces "Chu Chin Chow," the cymbal-clashing strain to which the girls climb the ladders in the last act of the Ziegfeld Folies. Turn the record over and play "Ching Chong," a one-step that simply won't let your feet behave. Luckey Roberts' greatest success.

Send Me Away with a Smile

One-Step. Columbia Record A5990, 12-inch, \$1.25

Here is a dance arrangement of the song that everybody is humming and whistling nowadays. It's a dance particularly popular just now because it fairly rings with martial vigor. It introduces "You Can't Tell the Mothers from the Daughters," "No, George!" and "Look Me Up When You're in Dixie." The companion one-step on the other side is "Peg O' the Ring."

Castle Valse Classique

Columbia Record A5989, 12-inch, \$1.25

Every lover of the waltz owes a debt of gratitude to Earl Fuller's Rector Novelty Orchestra of Rector's, New York City, for this beautiful waltz arrangement of Dvorak's immortal "Humoresque." The dreaminess of the stately waltz tempo is enriched and enlivened by the merry vibrant notes of the player xylophone. "One Fleeting Hour," introducing "My Dreams," is on the other side.

For the Freedom of the World

Columbia Record A2347, 10-inch, 75 cents

The rolling of drums, the calling of bugles and the blaring of a full brass band fairly pour dash and swing into this one-step. And you simply can't refuse to fox-trot to the time on the other side—"Everybody's Jazzin' It."

In addition to these splendid dance records, the Columbia November List of Dance Hits includes Borbee's Jazz Orchestra in "Paddle-Addle," and on the same record, "The Ragtime Volunteers Are Off to War," (A2363, 10-inch, 75 cents). Better than reading about these dances is to listen to them and dance to them. Ask any Columbia dealer to play them for you.
